upon the farther s.  
upon the Irish s.

wide-watered s.  
wild on this world's s.  
yearning for the farther s.  
Shoreditch: bells of S.  
Shores: around desolate s.  
exult, O s.

India's spicy s.  
on sands, and s.  
possess these s. with me  
round earth's human s.  
s. of old romance  
to what strange s.  
Shoreward: great winds s. blow  
Shorn: sheep that are even s.  
s. and parcel'd Oxus  
went home s.  
Short: all too s. a date  
Art stopped s.  
as s. a Spring  
at that s. space  
but a s. time to live  
Codlin's the friend, not S.  
come s. of the glory  
Eternity's too s.  
find it wond'rous s.  
from long to s.  
from s. to long  
hath but a s. time  
his legs have grown too s.  
how long or s. permit  
how s. is the longest life

give his s. good reste  
give me my s. again  
given my s. for this  
give not thy s. unto a woman  
God the s.  
go, S., the body's guest  
grants the s. again  
grapple them to thy s.  
grave unto a s.  
great Marlbro's mighty s.  
had a little S.  
half conceal the S.  
half the little s. is dirt  
hangs my helpless s.  
happy s., she shall discover  
hark! hark! my s.  
harpit your mindmost s.  
heard them call my s.  
heart, and s., and voice  
heart and s. do sing in me  
heaven of his high s.  
height my s. can reach  
her aged s. to damn  
her body from her s.  
her lips suck forth my s.  
her love-laden s.  
her pensive s.  
her s. to keep  
hidden s. of harmony  
hides a dark s.  
his angry s. ascended  
his eager s., biting for anger  
his own s. was like that  
his pure s. unto his captain  
his s. is marching on  
his s. is with the saints  
his s. proud science never taught  
his s. shall taste the sadness  
his s. sincere  
his s. well-knit  
his very s. listened  
holdeth our s. in life  
house of a brute to the s.  
how prodigal the s.  
how say ye then to my s.  
humanized my s.  
hurl my s. from heaven  
I am the s.  
I gave you your own s.  
in body and in s.  
in his altered s.  
in my s. am free  
in mystery our s. abides  
in some part of my s.  
in the bitterness of his s.  
in the bitterness of my s.  
into which the s. . . has passed  
invite my s.  
in whose rich s.  
I refrain my s.  
iron entered into his s.  
iron enter into his s.  
I think nobly of the s.  
joy's s. lies in the doing  
leave my s. in hell  
leaves s. free a little  
let every s. be subject  
lie in the S.  
lift my s. to heaven  
like fruit, my s.  
little s. for a little bears up  
little s., wandering, pleasant  
lose his own s.  
man became a living s.  
measured by my s.  
meeting s. may pierce  
merit wins the s.  
merry of s. he sailed  
merry old s.  
might create a s.  
mine eyes into my very s.  
mine has opened its s.  
most comprehensive s.  
most offending s. alive  
mount, my s.  
my dear s. . . mistress  
my outward s.

t. her tattered ensign down  
t. him for his bad verses  
t. in her eye  
t. is an intellectual thing  
t. it from thy Throne  
t. out your 'eart  
t. that is wip'd  
t. the cave where Echo lies  
t. was in his eye  
toning of a t.  
'twill cost a sigh, a t.  
unanswerable t.  
upon Fox's grave the t.  
without a t.  
word, or sigh, or t.  
Tear-floods: no t.  
Tearing his meat  
Tears: all thy T. wash out  
baptiz'd in t.  
Beauty, in a mist of t.  
before my t. did drown it  
beguile her of her t.  
big round t.  
bitter t. to shed  
blood, toil, t. and sweat  
brings t. into his eyes  
came her t.  
crocodile's t.  
dashed with light quick t.  
dearth of woman's t.  
dim with childish t.  
dip their wings in t.  
down and full of t.  
drinkest the t. of children  
drop, drop, slow t.  
droppings of warm t.  
drop t. as fast  
drop thy foolish t.  
drown the stage with t.  
eyes and t. the same  
falling t. which dim  
fight back . . . the t.  
foolish t. would flow  
fountain of sweet t.  
fountains fraught with t.  
gave me up to t.  
God shall wipe away all t.  
greatness of the world in t.  
her salt t. fell from her  
her t. fell with the dew  
her winds and waters sighs and  
t.  
I forbid my t.  
if you have t.  
I heard her t.  
in a flood of t. and a Sedan chair  
in silence and t.  
in t. amid the alien corn  
in the mist of t.  
I owe more t. to this dead man  
keep time with my salt t.  
kiss again with t.  
kisses, t., and smiles  
like Niobe, all t.  
long drip of human t.  
loos'd our heart in t.  
made of sighs and t.  
mine eyes from t.  
mine own t. do scald  
move the muse to t.  
my son in t.  
my t. into thy bottle
